

ALLIANCE FRANÇAISE D'OKLAHOMA CITY PRESENTS

Eleanor Kirkpatrick Franco-American Fellows Program

Inaugurated in 2010, this program is the only one of its kind in the United States. Each year, a group of young Oklahoman high school students travel to France to spend two weeks of research in Picardy. In return, their French counterparts are welcomed to Oklahoma for two weeks where they conduct their research.

The program is supported by an endowment from both the Kirkpatrick Foundation and generous donors and like you!

Your gift will benefit the program in perpetuity, helping us to send students each year and support our development of relations between the youth of France and America.
